

**2011 BOARD/COMMITTEE POSITIONS**

Established in 1956, RPO is a family oriented, non-profit program operated entirely by volunteers from our community. For over 50 years, individuals like yourself and your family members have helped us ensure a positive baseball experience for the children of our community.

This year in particular, we are in need of specialized services to improve our playing fields. If you or someone you know are plumbers, contractors, landscapers, electrical engineers, roofers, CPR certified trainers, etc. please contact us to learn more about how you can help.

We are a 501 C (3) non-profit organization and your contribution to RPO may be tax deductible under IRS laws.

**Be a Part of your Community by Volunteering for:  
2011 Board Positions and Committees
